"Luv'em Like **MINES** Youth Services is an organization that I have come to rely on when I need quality community based services for children. I've worked with this organization over the past 12 years and have been pleased with the level of care that is provided. I value the honesty, professionalism and integrity that LeLM displays."

**The Parents Enjoy Working BESIDE Us!**

As a parent working alongside Luv'em Like **MINES**, I received the support needed for my family in dealing with difficult circumstances in the home. After doing their assessment, they paired a mentor who was compatible with son. The mentor showed professionalism, trust and a family friendly perspective. This allowed me (as parent) to feel secure knowing that I have invested in a well-informed organization and that my child's needs would be met.

~Yvonne Walker, Parent; Hanover County
